

SANFORD

DESIGN • RENOVATION

770 Glendale Avenue

This custom designed Ashland home has over 2,300 square feet of living space and a two car garage.

Walk in the vaulted entry hall and inside you'll find hardwood floors and a craftsmen-style oak banister leading you upstairs to three spacious bedrooms and two full baths.

Downstairs, a formal dining, living and family room surround a gourmet kitchen. Two sets of French doors open to a beautifully landscaped terrace that affords plenty of space for outdoor living and entertaining.
